University, Bangalore.

Involvement in Conceptual and Functional Designing of DVK Central Library

The authorities appointed him in two key committees, which gave shape to the present DVK Central Library.

- Convener, Committee for Planning the Interior Furnishing of DVK Central Library
- Member, Structural Planning Committee, DVK Central Library

Experience in Library Consultation

The newly constructed Central Library is fully computerized and has the most modern infrastructure. The functions of this library are spread over a multi storey building with 45000 square feet space. The entire Library Space Designing was done by him.

DVK Central Library is considering as a good model, especially for its concepts, functions, features and its interior. Many people are visiting here to make a study and get consultation regarding the above areas in the time of their planning and execution of their library. Some institutions are very much particular about their onsite consultation. This service extends to more than thirty institutions. It includes...

- Bosco Infotech Library, Yelagiri, Tamilnadu
- Carmel Secondary School Library, Erode, Tamilnadu
- Holy Cross College Library, Trichy, Tamilnadu
- CMI Prior General's House Archives at Kakkanad, Kerala
